DAY 6: Founded in 997 A.D. by Viking King Olav Tryggvason, Trondheim is Norway's third-largest city and a former royal capital. Its strategic location made it a vital trade hub between southern Norway and the northern fjords. Stroll through the old city's broad avenues lined with charming 17th-century wooden buildings—rebuilt after the great fire of 1681—and explore its rich cultural legacy.

DAY 7: Enjoy a leisurely day aboard Majestic Princess®. Wake to endless ocean views and embrace the ship's serene atmosphere. Whether you're sipping coffee on deck, indulging in gourmet dining, or simply unwinding in a cozy lounge, today is all about relaxation and renewal. Today you cross into the Arctic Circle, see any strange shimmering lights in the sky yet?

DAY 8: North of the Arctic Circle, Tromsø has long been a launch point for polar expeditions. Today, it's a vibrant university town with a lively cultural scene. Ride the cable car to Mt. Storsteinen for sweeping views of Tromsø and Troms Island, then enjoy refreshments at the panoramic restaurant. If you're lucky, the midnight sun may light your path well into the evening.

DAY 9: Spend another day exploring Tromsø's Arctic charm. Visit museums, stroll the colorful streets, or take a fjord cruise. The city's blend of nature and culture—plus its role in Arctic exploration—makes it a fascinating stop. Don't miss the chance to experience its unique energy under the northern sky.

DAY 10: Known as the "City of the Northern Lights," Alta is a gateway to Arctic wonders. Visit the world's first Northern Lights observatory on Haddetoppen, explore the UNESCO-listed rock carvings at Alta Museum, and learn about the indigenous Sami culture. Nearby, the dramatic Sautso Canyon and vast Finnmarksvidda plateau offer breathtaking natural beauty. Let's see if the city lives up to its name with some serious charged sun particles!

DAY 11 & 12: Let the rhythm of the ocean guide your day. Attend a cooking demo, catch a live show, or pamper yourself with a spa treatment. Whether you're socializing or savoring solitude, the ship offers endless ways to recharge.

DAY 13: Nestled along a sparkling fjord, Molde is famed for its panoramic views—over 200 peaks visible from the Varden Viewpoint. Explore the Romsdal Museum, a charming open-air folk museum, or stroll through town with its cafés and boutiques. Drive the Atlantic Ocean Road for one of Norway's most scenic coastal experiences. In summer, Molde blooms with roses, earning its nickname "City of Roses."

DAY 14: Rebuilt in stunning Art Nouveau style after a devastating fire in 1904, Ålesund is one of Norway's most picturesque ports. Admire elegant buildings with turrets and spires and explore the city's rich fishing heritage. Nearby fjords and the Sunnmøre Alps offer dramatic landscapes, making this a visual feast from sea to summit. This is Norway at her best.

DAY 15 & 16: Another two days to unwind and enjoy the ship's amenities. Lounge by the pool, join a wine tasting, or simply gaze out at the horizon. With no agenda but relaxation, these two days are yours to enjoy at your own pace.

DAY 17: Disembark in Southampton and transfer back to the airport for your flight home, carrying with you unforgettable memories of Norway's fjords & arctic wonders, and hopefully some incredible images of the famous Northern Lights. Coach transfer back home.
