Escape for a memorable four-day adventure to Tennessee & Alabama. Here explore incredible Lookout Mountain in Chattanooga, TN with trains, caves & incredible rock formations with a backdrop of Fall Foliage colors, then visit the Cosmos at the U.S. Space & Rocket Center Huntsville, AL.

This trip involves a lot of walking & steps, must be physically able.

DAY 1: Today we travel to Tennessee and the city of Chattanooga. Upon arrival, visit the world-famous Tennessee Aquarium, where two distinct buildings, the River Journey & the Ocean Journey, showcase everything from playful river otters to sharks, penguins, and colorful reef fish. While here, see the spectacular IMAX 3D film, viewed on a massive six-story screen. Check into our hotel with a "Kick Back" hotel reception. **R**

DAY 2: After breakfast we head into the Fall Colors and up to Lookout Mountain, home to three of Tennessee's best attractions. Our first stop is Ruby Falls where we descend 260 feet in a glass-front elevator into the Mountain to see the tallest underground waterfall open to the public in the United States. Take a guided tour as we wander the half mile path through the cavern for a close-up view of thundering Ruby Falls! Next, take an unforgettable journey along the Enchanted Trail in Rock City Gardens where each step reveals natural beauty and wonders along the woodland path. Rock City is 1700 feet above sea level, with a 100-foot waterfall that cascades down the mountain and the famous Swing-A-Long bridge that spans nearly 200 feet. This self-guided tour gives visitors a birds-eye view from high atop Lookout Mountain where you can "See Seven States." Finally, we ride up America's Most Amazing Mile on the Incline Railway! Return to our Chattanooga hotel with dinner included this evening. **B D**

DAY 3: Departing Chattanooga we head to the Lodge Museum, a celebration of American-made cast iron and a can't be missed destination for folks who love cooking, history, food culture, and very large skillets of Cast Iron! We then arrive at the incredible U.S. Space & Rocket Center, home to rockets, space artifacts, and hands-on exhibits that tell the story of America's space exploration in Huntsville, Alabama. One final overnight & dinner included. **B D**

DAY 4: One final breakfast before we must return back towards home. **B**
